### Agenda Topics

1. Lori went to the Rec. Dept. for other business, and the discussion about the lights came up. There may still be the possibility of getting a grant. This is still pending.
2. One set of lights will be replaced on field 1 Saturday morning before the eye-opener starts.
3. Board duty for the eye-opener was discussed. There will be at least one BOD member present at all times during the eye-opener.
4. We now have the plastic yellow tubing for the outfield fences. The board will get together one day soon and install them.
5. The batters box on field 1 has been repaired.
6. Infields for both fields have been graded and bases have been installed and are ready for play.
7. Lori is meeting with McNamara Landscaping tomorrow for irrigation repairs.

8. There was discussion with the city about who will manage and take care of the bathrooms by field 2. The city may take care of it from 9-5pm and the league from 5pm until close. This was just a high level discussion.
9. Ryan motioned for players to only be allowed to play on no more than two teams next year. Michael seconded the motion and it passed 8-0.
10. It has been decided that we will not have the eye-opener next year, but instead try to start the regular season early.
11. Roster Requests were reviewed and completed.
