Agenda Topics

1. We further discussed starting the Sunday morning fall league. We gathered together all our ideas. It would be done as a draft. There would be one umpire, and no scorekeeper. Four games every Sunday starting at 8am.
2. A coach wrote a letter to the board on an issue with a team in their division who has not had enough roster players on multiple occasions. We read and discussed the content of the letter and we will contact the coach.
3. There have been a few situations this season where coaches have not allowed their opposing coach to pick up non-roster players in order to field a legal team. We will discuss this in the off-season when we do a rules review.
4. Prospective date for the awards banquet will be November 11th.
5. We will be having an end of the year coaches meeting so we can get feedback and suggestions for next season. We will try to get it scheduled before the start of the playoffs with a prospective date of September 29th. It will be held at the Leominster Elks.

6. Some umpires and scorekeepers have stated it is sometimes difficult to get in touch with the board member on duty. From now on the board member on duty will carry a walkie talkie, and each scorekeeper will have one as well.
