Agenda Topics

1. We discussed a player that was ejected from a game last week. This player has been suspended many times for various infractions. We decided this player will receive a one year suspension, and one year probation following the suspension. If this player gets suspended during the probation period, he will be permanently banned from Lamsa.
2. A coach emailed the board on multiple scheduling issues, mainly on rescheduling rained out games. The email was reviewed and discussed by the board. There were a lot of good ideas and suggestions from this coach, and some may be considered before the start of the 2017 season.
3. We discussed the numerous amounts of requests this year from coaches who want to move games. Next year we will consider charging a small fee for moved games unless the reason for moving the game is valid.
4. We discussed easier ways to reschedule rained out games for next year. With all the recent rain and having 55 teams, it has been more difficult than previous years to reschedule rain outs for all teams. For next year we may be forced to reschedule rain outs regardless of coaches' "bad dates".

5. Bat testing for the playoffs started tonight for division one and additional dates for bat testing will be posted on the home page of the website.
6. We discussed who we will be using for the awards banquet. Rocco will get prices from a few different catering companies.
