Agenda Topics

1. We reviewed and completed the final few pending roster requests of players that we were watching.
2. A city water ban will go into effect tomorrow and water usage will be limited on certain days.
3. Matt discussed starting up a Sunday morning league. Keith Valliere said he could supply umpires. All board members will put together ideas for this and bring them to the next meeting. If this happens it will start the weekend after Labor Day.
4. The All-Star night was a big success.
5. Lori talked about possibly having music and announcing player's names for the Home Run Derby next season.
6. Lori received a message from a coach requesting to add a player in exchange for dropping another player even though the deadline has passed. We decided to vote on this. Lori motioned, and Vic seconded. The motion was denied 1-4.

7. We discussed the possibility of having a 40+ division next year.
